WORK

CASE STUDY

Google Pay App Redesign

Dec 2025 - July 2026

UI/UX Design | User Research | Prototyping

- Implemented a seamless split request mode to solve core problems in shared expenses.
- Addressed hidden navigation and group fatigue to streamline user flows and simplify the user experience.
- Designed solutions to eliminate social embarrassment and reduce the memory tax associated with asking for split payments later.

EXPERIENCE

Freelance Designer & Creative Developer, Outsource Studios (outsourcestudios.co) (Remote)

Sept 2025 - July 2026

- Worked as a freelancer for a design and development agency, collaborating with cross-functional teams to successfully carry out more than 5 high-impact projects.
- Delivered impactful design solutions for clients including Drix Media, Relax Infinity, and FirstOX Studio.
- Led end-to-end design execution for Soulliquo, Flytsocial, and Crestox, ensuring optimal user experiences.
- Carried out UI designs in Figma and creative frontend development with the help of AI.
